

Update on traffic islands 9/29/10

The Board of County Commissioners hearing on the traffic islands has been postponed! There will be no hearing on 9/30 as previously stated.

Instead, there will be a hearing before the zoning board on 11/4 at 9 a.m. at the Vista Center at Jog and Okeechobee. The BCC hearing will be held on December 9th at 9:30 at 301 Olive Ave, 6th floor.

On October 20th, we will be hosting a meeting at Holy Spirit Lutheran Church at 7 p.m. with representatives from the County and Toll Brothers. This will be our opportunity to air any concerns we may have and discuss with County engineering what is and isn't possible.
